Hi, I'm
Muhamad Abdul Azis

And I'm a
Programmer

Education

July 2021

Gadjah Mada University
D3 Instrumentation Technology

This major learns about control electronics, control engineering, and basic programming.

GPA 3.34/4.00

August 2018

SMK N 2 Surakarta
Audio Video Tech

This major learns about basic electronics such as logic gates, microprocessor, and microcontroller.

GPA 86/100

Internships

LIPI Bandung
Intern Reasearcher

Jan 2021 – May 2021

Working on Autonomous Vehicle research project •
Responsible of ultrasonic sensors system •

PT. Pertamina RU VI Balongan
Intern Instrumentation Technician

Dec 2019 – Jan 2020

Doing research of Furnace Safe Guarding system •
Learn how Piping Instrumentation works •

PT. Kencana Gemilang (Miyako)
Intern Production

Jun 2017 – Nov 2017

Works in production team, position switched over time •

Organizations

HIMATRIK (Students Association)
Feb 2020 – Jan 2021
KOMINFO Division Chief
Maintain KOMINFO staff and splitting jobdesks according to staff's speciality

KMDEI (Students Association)
Nov 2018 – Dec 2019
KOMINFO Division Staff
Content creator of KOMINFO division

WATT (Workshop)
Oct 2019 – Nov 2019
Event Chairman
Event chairman of electronical workshop

About me

Graduated from an almost-IT major in one of most favorite university in Indonesia. The main focus is in digital electronics which requires programming most of the time, so I decided to deepen my programming skill as a web developer because I love visuals.

List of my coding study journey
So far...

20 November 2023

Gameloft C++ Camp
Gameloft Indonesia
Offline Course
Stack Learned:
Credential: drive.google.com/file/d/1IcZACXS0YNBH3uM2p9KXaugI3FqJN4UB/view?usp=sharing
Valid until: 20 November 2026

14 October 2023

Belajar Membuat Aplikasi Web dengan React
DICODING Indonesia
Online Course
Stack Learned:
Credential: dicoding.com/certificates/JMZV1JQORXN9
Valid until: 14 October 2026

12 May 2023

Belajar Langkah Fundamental Untuk Menjadi Web Programmer
KODE by Hacktiv8
Online Course
Stack Learned:
Credential: sertiva.id/credential/7ee06db5-4cd0-4420-84c7-152b6316eae4
Valid until: 12 May 2026

17 April 2023

Belajar Fundamental Front-End Web Development
DICODING Indonesia
Online Course
Stack Learned:
Credential: dicoding.com/certificates/RVZKOL594PD5
Valid until: 17 April 2026

17 March 2023

Junior Web Developer
Vocational School Graduate Academy by Digitalent KOMINFO Indonesia
Offline certification
Stack Learned:
Credential: digitalent.sdmdigital.id/cek-sertifikat?registrasi=19358991110-1
Valid until: 17 March 2026

6 March 2023

Belajar Membuat Aplikasi Back-End untuk Pemula
DICODING Indonesia
Online Course
Stack Learned:
Credential: dicoding.com/certificates/72ZD87D4LZYW
Valid until: 06 March 2026

27 February 2023

Belajar Dasar Pemrograman Javascript
DICODING Indonesia
Online Course
Stack Learned:
Credential: dicoding.com/certificates/4EXG92MNGZRL
Valid until: 27 February 2026
